Privacy Policy

How we will use information about you

You can access and browse our website without disclosing personal information unless you choose to complete our 'contact us' form. The only personal information that we collect and store about you is the information that you choose to provide to us (for example, your name, address, telephone number and email address) "we do not store credit card details". The information provided will be stored on our CRM and will not be passed on to any other parties, and we will hold the information there until you ask us not to.

The information stored will be used to inform you of our latest news and you can opt out of receiving this at any time. All our employees who have access to personal information are obliged to respect the confidentiality of your personal information.

We do not knowingly collect personal information from children.

Cookies

Cookies are small text files, which ask permission to be placed on your computer by websites you visit. Your web browser may allow you to erase the cookies, block all cookies or receive a warning before a cookie is stored. If you do allow cookies to be used, when you view our website, we will store some cookie files, which will enable us to measure the use of the pages and features on our website and allow you to use some of its functions. The cookie is used to store the IP address of your machine and will not contain any data personal to you.
